*Our School Day Starts  
With the Ringing of the  
Bell*

## FOREWORD

A new school year! The reign of the little red schoolhouse is fading. Just as the switchboard and telephone have replaced the old school bell, a huge square edifice replaces the "little red school house."

Take a good look at our surroundings — they're going to change—the old gives way to the new. Loyalty holds us to the familiar but we are lucky to keep the familiar and enlarge and enhance it. Regional's U-Shape becomes a square.

Our environment grows—carpenters, plumbers, painters, architects, bricklayers, and electricians are added to our immediate surroundings. Regional takes on a cosmopolitan air—watch us grow and progress.

We start the day in a modern way.

# *An apple for you . . .*

To Mr. De Rosa—

For his infinite patience,  
For depth of understanding,  
His discerning ability as a teacher and advisor,  
For innumerable hours devoted to our activities,  
For his willingness to lend a hand when the going is rough,  
For his congeniality, sincerity and friendliness to all,  
We gratefully dedicate this, our 1952 Regionologue, to  
Louis De Rosa.

## OUR PRINCIPAL

In the Regional District the effect of the rise in the national birth rate together with the influx of people into new housing developments has placed a severe strain on the present school facilities. It is estimated that the Regional High School enrollment will continue to rise until it will be more than double the present enrollment in 1963.

As seniors you were well aware of the crowded conditions in the high school. You are to be congratulated for the support you gave in urging your parents, relatives and neighbors to approve the bond issue for an addition. While you will not have the opportunity of attending the enlarged high school, you will always have the satisfaction of knowing that you helped to make it possible for future Regionalites to have adequate school facilities. Many thanks and good wishes to all of you.

Discussing the layout of Regional's journal.  
(Miss Booth and Editor Robert La Rouche).

To borrow from Lincoln, a gentleman well worth quoting, the Dayton News is written for, by, and of the students. It is the aim of this paper to publish not only that which comes under the heading of news, but also to act as a sounding board for student opinion through its editorials and columns, and to assist all student organizations with the power of publicity on hand. We feel that it does just that.

# THE REGIONALOGUE

Deadline day for writeups in the Regionalgue can well be expressed in two words—organized confusion.

This is easy to see since the editors often change their minds without informing the typists. When this happens moans and groans can be heard coming from Room 207 and Mrs. Montgomery is right on hand with the Bicarbs for the ailing typists.

This paints a pretty black picture but "all's well that ends well" it is said, so we hope you enjoy our 1952 Yearbook.

We worked hard but willingly on it so that in some way on someday you might relive those wonderful four years at Regional.

## HONOR SOCIETY

The little red schoolhouse springs to life again in the image of Kettle Hollow, Tennessee, a small rural school sponsored by Regional through the Honor Society, whose members brighten this sponsorship with a friendly gesture of sending Christmas gifts to its pupils, too. To add an academic touch to its agenda, the society presents awards to the graduating seniors who rate highest in the field of mathematics, social studies, English, languages, and science.

# FORUM CLUB

Questions?  
(John Borter presides  
at Union County Forum)

*I disagree!*  
(Esther Currie contests Bill Mulholland  
in forum club.)

Much fame has been brought to Regional through the forum club. John Borter, President of the Union County Student Forum did an outstanding job in establishing many new ideals in this organization. Regional is honored in having Emily Buckley as treasurer of N. J. I. R. F., an active and well-organized group. Daryl Maslow, in addition to belonging to other forum groups, participated in Junior Town Meeting.

Subjects for panel discussion vary from "The ideal Boy and Girl" to "Is Our Foreign Policy Leading Us Into War?" The major activities of the Forum Club include active participation in the N. J. I. R. F., the Union County Student Forum, Junior Town Meeting, and Regional's newly established Forensic League Program.

Our next speaker—  
(Emily Buckley introduces Connie Lambert and Daryl Maslow.)

## STAGE CREW

Responsibilities galore rest on the weary, but ever capable shoulders of our stage crew. Without them, our Commencement, P.T.A. meetings, concerts, and weekly assemblies just wouldn't be.

Spotlights, footlights, microphones and curtains make up their hectic life. They attend rehearsals of our variety shows and find furniture, props, and all settings which go to make up an interesting stage.

All backstage activities, including the provisions for our many guests, rest in their hands, and let's not forget that they give up their afternoons and evenings whenever the occasion demands.

## HALL PATROL

Guardians of the halls-our hall patrol controls the traffic where jams usually occur. Lunch time supervision of students is one of their headaches. With a very crowded population at Regional this year, their problems have increased and will grow even greater as our little red school-house expands.

First row: B. Wehrle, A. May, C. Muth, B. Benhoff, A. Casale, V. Catalano, V. Amiano, S. Rowles, J. Robertson.

## STUDENT COUNCIL

Our student governing body is an active group interested in helping to solve student and school-life problems. As a member of Union County Student Council Conference, our organization works with other groups to discuss better relationships between student and teacher. Drives for worthy causes are conducted by the council (they piled up a bit there in the fall, didn't they?) and sponsoring square-dances are some of the council's many good deeds.

## FUTURE FARMERS of AMERICA

The F. F. A. is the national organization of, by, and for boys studying vocational agriculture in high school.

The Pioneer Chapter at Regional is devoted to good citizenship, good farming, good scholastics, and philanthropic work.

The boys compete with other F. F. A. boys throughout the state in all types of contests. Many a Regional Pioneer has walked off with state honors.

The sincerity of the F. F. A. youth is effectively expressed by their motto; Learning to do—Doing to Learn—Earning to Live—Living to serve.

## VOCAL GROUPS

Concert time, Christmas and Easter, is big time at Regional. Months of rehearsal, stress on harmony and tone, learning of lyrics, and clear enunciation are all mastered by concert time. Singing for church groups, forum groups, women clubs, and caroling in the halls add pleasant memories of group singing experiences loved by all.

# BAND

The Blue and Orange of Regional shines brightly through its colorful representatives of the band, a well-functioning groups that plays at all football games, assemblies, pep rallies, senior plays, concerts and P.T.A. meetings.

Individual instruction is given its members; small group attention is focused on the swing band; and full attention is given the first band.

# Junior Class

Our president, Bob Helminski, who has led our class for three years, has had an easy cooperative reign. Good enthusiastic workers helped to make class dances successful. A high scholastic level has been attained by many juniors as many classmates have made the national honor society. The sports field is crowded with outstanding juniors, some of whom have played varsity for two or three years. Our prom was a special highlight on the social calendar.

## Sophomore Class

We feel that being sophomores is a marked improvement over being freshmen. Even as freshmen, we had a very successful "April Showers Ball," which brought happiness to the dancers as well as the class treasurer. The fall sophomore dance with its multi-colored leaves and pennants was even more popular. We've done well in sports participation and scholastic activities as well. We're a big class and expect to do big things for Regional.

# Freshman Class

The freshman class just can't be overlooked. Why? Because we're the largest class ever to enter Regional. We might be small but we're mighty. Our football team was one of the best ever; our dance was one of this year's highlights; our artists won a good proportion of the prizes in the Hallowe'en window-painting contest. We expect to shine in many more activities in our next three years at Regional.

# FOOTBALL

*Catch me if you can!*

Starting his second year at Regional High, Coach John Brown built up the 1951 squad from mostly second stringers and inexperienced players. The green team came through with an upset in the first game, beating Hillside 21-13; the other impressive win was the 14-0 win over Roselle which, at the time, was undefeated. The record of four wins and four losses did not show what the team could really do. They started out strong by winning four out of the first five but, with the injuries hampering the team, lost the last three. The team, being light, especially the line, had to rely on speed and passing to pull them through. Having no standouts, the team could not be built around one or two star players, and thus had to depend on team play and working together to win.

In early December, Regional was overflowing with spirit and enthusiasm about the first basketball game. This was a time when Regional was completely united and loyally followed the team throughout the entire season. For many years we have been on top, winning county and even state tournaments. However, the worth of a team is not measured by their victories. The boys on this year's team have shown great sportsmanship, although the basketball season has not been a good one. In many cases, the team has rallied to victory when it was considered impossible. We are proud of these Regionalites.

# WRESTLING

For the first time in many years, wrestling has become a major sport at Regional. Although Regional compiled a record of only one win, two ties, and five losses, wrestling has attracted large crowds. Plagued by injuries, we still had outstanding wrestlers, such as the undefeated Hector.

*My aching back!*

*O. K. now what?*

The track team during the season of 1951, compiled a record of four wins, four losses, and one tie. Judd Herman, established a new school record in the high-jump with a jump of 5 ft. 10½ in. "Eppie" Tenneson was the leading scorer on the team with 103 points. He also placed second in the county meet and fifth at the state. Only one-sixth of last year's team was comprised of seniors. In the coming season the team should develop into one of the best ever at Regional.

*They're off and running at Regional!*

# BASEBALL

The Baseball Squad, with a record of 11 wins and 4 losses, is undoubtedly the best produced by Regional. The team was well rounded but had several standouts. Two of our graduate lettermen are going to make baseball their career. Pitcher, Bill Peterson, has been signed by the Boston Braves and Richard Tomasetti is being considered by Detroit. Three lettermen return for the 1952 season, Joe Pepe, Bob Thwaites and Charlie Schaffernoth, who was selected as the catcher on the county team and several state teams.

## CHEERLEADERS

T-E-A-M, the cheer loudly echoes throughout the gym as the cheerleaders lead the crowd at the basketball game. On crisp fall days, these girls, clad in blue skirts and white sweaters, can be seen in front of the bleachers. They jump into the air with peppy motions and cheer for the boys on the gridiron. Our cheerleaders deserve a lot of credit for the work they do in raising the school spirit.

## REGIONAL ROOTERS

### TWIRLERS

On a crisp, cool, autumn day before a football game, a spectator can see a group of attractive, vivacious girls proudly leading the Regional music-makers down the field. Clad in white and gold, these girls do a marvelous job in building up the morale of both the spectators and the players. Our twirlers add a touch of glamour to our athletic events.

M. Ferrone, E. Figler, R. Kopp, W. MacGregor, M. Grmek, L. Nordlin, S. Reinhardt, F. Hrdlicka, H. Bollenhoff, H. Miller.

# GIRL'S SPORTS

## HOCKEY

This past year's hockey season was outstandingly good. Our team was above par and showed good form and training, thanks to Miss Kendall's gruelling practice sessions. Highlighting the field was Julia Walsh, our class athlete, who was also very fortunate to be chosen for All-State Hockey at Trenton. Two other talented hockey-stick wielders were chosen for the reserve team, namely, Stella Bialecki and Carol Simms. The team shows good prospects for next year.

First row: J. Walsh, Stella Bialecki. Second row: G. Runyon, E. Wagner.

*Ah! aive her a chance, Werle.*

*Up she goes.*

## BASKETBALL

Our season this past year was comparatively good. Even though the losses over-shadowed the wins, the girls showed good lively spirit through the entire season. Little-but-mighty Helen Wanko made a good share of the points and her team-mates, Stella Bialecki, Carol Werle, and Julia Walsh, were there to lend a helping hand. This year saw the beginning of a girls' ref-ing class for basketball. This class will be continued next year, and with the morning practice sessions, next year's team shows promise of a good season.

Yes, our "Junior Miss" of April 4 and 5 was very sweet, but, oh, those movie-minded misses! Harry was fired when J. B. lost his patience after Ellen came home married following her Judy-planned meeting with Willis. What a situation!

The situation was nothing compared to those hectic moments before the opening curtain; the play itself was but half of the fun of night rehearsals, back-stage jitters, make-up, the lights, and those wonderful people in the audience.

A smile, a tear, a slap, a kiss, all these add up to "Junior Miss."

## OUR FOUR YEARS IN THE LITTLE RED SCHOOL HOUSE

### As Freshmen

How green can you be? Well we tried hard—that is, to be sophisticated, blase and poised. At least we didn't fall for the elevator routine. We soon found that as a group we worked well; backing school affairs, especially our own freshman dance and even getting up nerve to ask a date.

### As Sophomores

Sophisticated, blase, poised—all of us! We branched out this year—many of us in sports, dramatics, publications, oral and written competitive contests, and of course, scholastically. We were really Regionalized by now.

### As Juniors

Upperclassmen! Sounded nice—and the Prom—the highlight of the year—transporting us to Hawaii. You've never seen a sharper bunch—but you would have seen us decorating the gym—a miracle transformation! We practically ran the school that year (seniors beg to differ.) but we had class leaders in all outstanding school organizations.

### As Seniors

Goodbye to our little red school house. It'll never be the same; however we have the dubious honor of being the last class to graduate from the original structure. Still we think the classes that follow us will share too in memories of traditional Regional senior affairs—senior variety show, concerts, senior plays, guests of the juniors at the prom, football games, senior ball, and graduation. These have been good years.
